

SCHOLARSHIPS FOR ADULTS

Generous donors have provided scholarship funding for adults to take part in arts education at Art Barn School of Art. Through this scholarship fund Art Barn is able to provide access to all artists regardless of their ability to pay.

Art Barn, housed in a century-old renovated barn, is dedicated to fostering the love of art for artists of all ages and abilities. Art Barn has a 50-year history and offers a full range of year-round art education classes for children and adults. We are located just 2 miles outside of Valparaiso city limits on 69 acres with rolling woodlands, a pond, open spaces, gardens, farm animals, wildlife and endless sources of inspiration. Our friendly and relaxed atmosphere and quality outdoor spaces contribute to people's health, happiness, and well-being.
